TRAVELIN' MAN

Up with the sun,
Gone with the wind,
She always said I was lazy.
Leavin' my home,
Leavin' my friends,
Running when things get you crazy.
Out to the roads
Out 'neath the stars
Feeling the breeze, passing the cars.
Women have come
Women have gone
Everyones trying to cage me.
Some were so sweet
I barely got free
Others they only enrage me.
Sometimes at night I see their faces
I feel their traces they left on my soul.
Those are the memories,
That make me a wealthy soul . . . . . yea
Those are the memories,
That make me a wealthy soul.
Travelin' man love when I can,
Turn loose my hands 'cuz I'm going.
Travelin' man love when I can,
Sooner or later I'm going,
Ah Travelin' Man.

'Movies' theme For Homecoming

Homecoming 1979 was an exciting evening for the Reese Rockets. The winning of the football game brought much enthusiasm to all. The floats were especially well done this year. The Senior class took the overall award for the second year in a row. Tammy DuPeron was picked for the 1979 Homecoming Queen and was crowned by last year's queen Jill Palm.

SENIORS

"I dream for tomorrow, for I have seen today, and have cherished yesterday."

We have accomplished the ultimate. The Reese High 1980 Seniors have gone through this school for four years, searching out the classes and teachers.

As freshmen, we sold candy bars and placed second at Homecoming and second at Comehoming.

As sophomores, the class decided to surpass the juniors on the sale of magazines and did. That year we placed first at Homecoming and first at Comehoming also. We also collected money for the needy.

As juniors, the class went all out on selling Reese's peanut butter cups and crunch bars. The class won "overall" awards at both Homecoming and Comehoming. We all waited for the next fall so we could be Seniors.

Now as Seniors, we sold jerseys to the rest of the classes. We all worked together as a class to put out a good senior float and we succeeded as we won the overall award for Homecoming. Our senior Christmas play was a take-off of *Saturday Night Live.* We are proud of all these accomplishments.

As our class motto says, "I dream for tomorrow, for I have seen today, and have cherished yesterday."

This year's Senior officers are: President—Tammy Duperon, Vice-President—Sherry Auernhamer, Secretary—Sherry Sahr, Treasurer—Lynne Dietzel.

The Senior spirit has proved victorious once against the battle of the classes.

The Reese Board of Education and the parents of the student body are pleased with the fine facility which has been provided for the students of Reese.

Principals, Secretaries, Brighten Our Days . . .

This year our principal was Mr. Crouse and our vice-principal was Mr. Ross. They both made sure the students acted in an orderly and respectable manner. They provided throughout the year an extreme amount of concern and friendship to the students.

The office ladies, Mrs. Mousseau and Mrs. Bender were busy this year in typing out letters for Mr. Crouse and Mr. Ross. They also helped in answering the telephone all day and taking messages. In the midst of that they also ran errands to classes and dittoed pages for the teachers. They helped out the students when they came into the office with a problem, too.

The principals and the office ladies both did a fine job in running the school and helping the students in the best possible way they could. Good Job!

Counselors, Special Classes, Meet Needs

This years Counselors were Miss Jones and Mr. Jordan. They both did a good job in helping students find their correct class for the future.

Miss Jones this year took care of the freshmen and the sophomore classes. She counselled them and helped them to find classes that will benefit them later in school.

Mr. Jordan this year took care of the Junior and Senior classes. He helped them in finding college information and make sure that everybody had their classes they needed.

This year Mrs. terSteeg and Mr. Hannah helped students in areas that in which they needed help. Both of their classes deal with reading, vocabulary and other subjects.

All of these faculty have done a fine job in helping students for the future.

In Auto Mechanics and Shop classes the students learned about small engines and advanced into bigger things.

The Agriculture class went around this year to some of the farms in the Reese area. The students learned the procedures of farming and the safe use of agricultural equipment.

The Home Economics class learned how to cook and sew this year.

Reese High School offers two drafting classes. The first year students learned how to draw three- view drawings. The second year students learned how to draw sectional drawings.

Reese High has done a fine job in preparing its students for their careers in life.

Junior Year Presents Headaches, Memories

The Junior class had a busy year raising funds to sponsor the Junior—Senior prom. Their sales efforts included M&M's and candy bars. Along with sponsoring the prom they also participated in Homecoming in October and Comehoming in February.

The Juniors decided on the prom theme "When You Wish Upon A Star" which was held Saturday April 26th at Delta College Commons.

Homecoming and Comehoming brought first place in Spirit Week and second place in floats, halls and over-all spirit awards. The class is working hard toward a great Senior year next year.

Junior class officers: seated President Jeannie Beyerlein, Vice-president James Squanda, Secretary Jeff Bender and Treasurer Al Avery.

Jan Schrader concentrates on the end of the hour.

Class of '83 Makes Excellent Debut

This year's Freshmen class had an excellent year. They showed lots of enthusiasm in all of the school events during the 1979-1980 school year. They placed third in over-all competition in both homecoming and comehoming.

The Freshmen class also held two fund-raising projects, a spirit button sale which raised twenty dollars, and a candy sale which raised seven hundred dollars.

Their advisors were Mrs. Fogus and Ms. Sermak. Good luck in the future to the class of 1983!

Rockets Victorious In Big Thumb

The Reese Varsity Football team is known for its defense. They showed it this year by pulling out a well-deserved 8-1 season, and a Big Thumb Championship title.

To play for coach Jim VanParis takes devotion, time, concentration, and hard work. The players this year did just that.

All Conference players on the team were Bob Meyer-end, and Mark Mueller-end. Offensive players were: Darryl Tafoya-tackle, Scott Bierlein-guard, Ed Heinlein-center, and Steve Elbers-tailback. Steve also gained over a thousand yards this season.

Honorable mention players on the team were: Dean Ackerman-wingback, Lyle Karp-quarterback, Steve Avery-defensive halfback, and Doug Tafoya-linebacker.

These guys did a great job, and in the schools eyes the whole team did fantastic.

After the season was over the Tuscola Advertiser presented the team with a beautiful trophy for being All-Area Champs.

Congratulations coaches and team!!!

The J.V. basketball team coached by Mr. Hillborg, turned out another good season with an 11-8 record for a better than 500 average. The J.V.'s had an abundance of height this year which accounted for a lot of rebounds.

The team had a lot of bench strength which Reese basketball teams have lacked in the past few years. Defense and hustle is the name of the game if you want to have a winning season.

Boys' Track Team Brings Home Gold

The Boys' Track Team for 1980 had a VERY successful year! They won many invitationals and came in runner-up only once. The team won its first Conference meet ever!

Reese also won the C-D meet defeating U.S.A. for the first time in thirty-three years. The team also won the 9-10 Invitational which was another "first" for Reese.

Many members of the team participated in the Meet of Champions held in Caro at the end of the season, bu only four members went on to the State Meet in Gran Rapids. Steve Elbers placed second in the shot put with throw of 53 feet.

Girls' Track Team Serves New Coach

Cindy Banning, a teacher at the middle school, was the new coach for the girls' track team. She stressed the importance of attitude as well as hours of hard work at practices. At times, her job wasn't easy, but Miss Banning never gave up.

This year's managers were senior Beth Gomoluch, who has been manager since her sophomore year, and freshman Bonnie Younk. The managers came to meets and practices, and Beth made spirit badges.

The team will be losing the following seniors: Laurie Henry and Karolyn Krieger—shot and discus; Mary Spiekerman—relays; Donna Drake and Sandy Anker—mile and two-mile run. The talent and leadership of these girls will be missed next year.

Laurie Henry was elected captain of the team. She led exercises at practices and kept the rest of the girls in line.

Three new school records were set: The mile relay team of Karen O'Connell, Brenda Achenbach, Lisa Henry, and Loraine Light broke the old record of 4:47 with a new record of 4:21. Loraine Light broke her old record in the 440 yard dash with a time of 64.2 seconds. Caro Grzemkowski set a new record of 38.1 seconds in the 220 yard low hurdles.

The team was plagued by problems this year that included many girls quitting, but the girls who stuck with it showed a lot of dedication and effort. The freshmen showed the talent and potential to help make Reese a winning team in coming years. The girls didn't win any meets due to the small size of the team.

No one on the team qualified for the State meet, but the mile relay team, and Loraine Light in the 440 yard dash competed at the Meet of Champions in Caro.

Members of this year's girls' track team are Front: B. Younk, manager; C. Grzemkowski; L. Light; E. Palmreuter; B. Achenbach; K. O'Connell; S. Anker; J. Van Paris; and D. Drake. Back: B. Mr. Madziar returned to coach tennis for a second year. This year his team was a top contender in the Big Thumb Conference.

Marty Smith, a junior transfer student, helped the team keep its good over-all record by remaining undefeated throughout the season.

The team will be losing the following seniors: Hiram Ellsworth III, Wayne Bierlein, and Mark Mueller who is missing from the group picture.

Lynn DeHaan was the team manager. She helped Coach Madziar keep track of scores, and she attended tennis matches and practices. Many of the matches were cancelled or rescheduled because of bad weather.

Coach Madziar hopes for an even better season next year and maybe a little less rain.

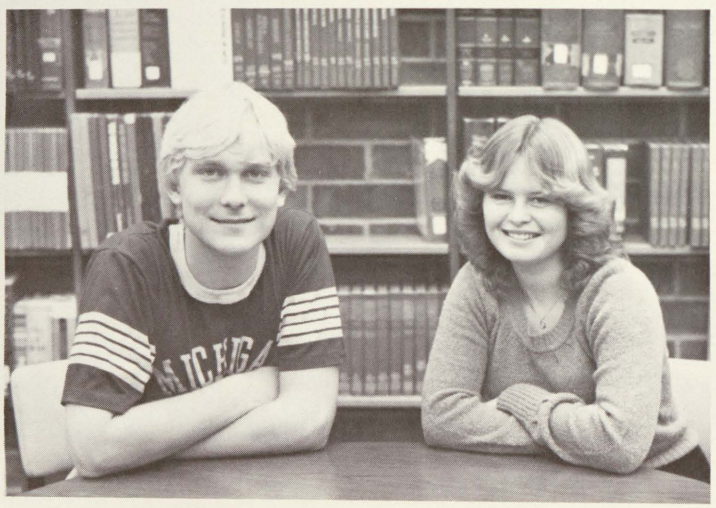
Visitors Learn American Ways

Our exchange students for the 1980 school year were Dag Hellstrom and Michelle Stevens.

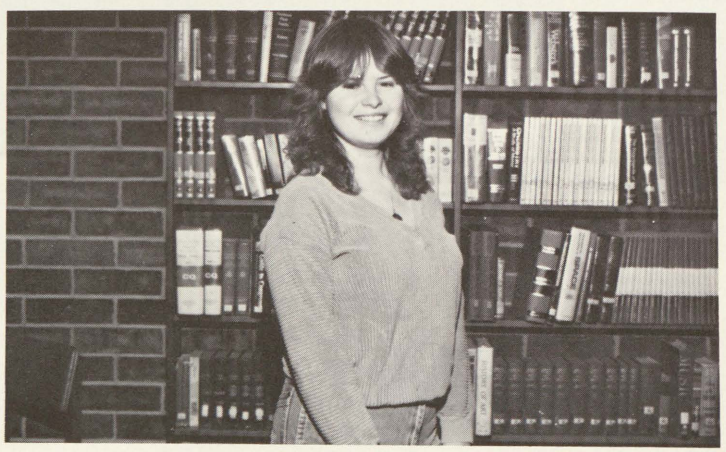
Dag is from Sweden. He was active in golf, the ski club, and track. He enjoyed all these activities.

Michelle is from Australia. She attended some of our dances, and enjoyed going to our football and basketball games.

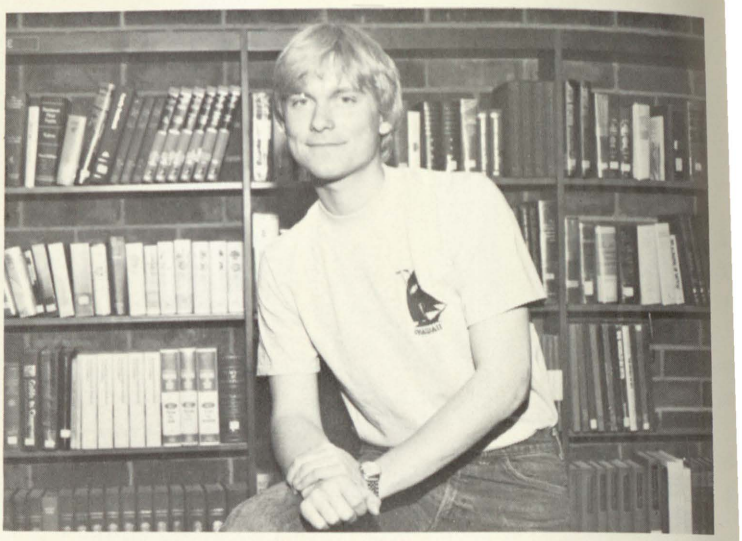
The students of Reese enjoyed having Dag and Michelle with us this year, and we are sure we learned as much from them as they learned from us. They will be missed when they return to their own countries.



Dag and Michelle, our two exchange students, posing together.



Michelle Stevens, our exchange student from Australia.



Dag Hellström spent his year with the Palmreuter family.

"To be an exchange student is a fantastic way to learn. I have learned about America by acquiring American customs, values, and beliefs. My experience has also given me many new and fresh points of view about my home country. The real way to learn and understand your home country is to experience another.

I have also had a lot of fun. Getting to know people and participating in sports have given me great memories of R.H.S. that will always be distinguished in my memory.

Although a year is much too short a time to see everything, I have had enough time to get an understanding and valuable comparison."

—Dag Hellstrom

"When I first came to Reese I wondered what new things a small town could teach me that my large city home had not.

I have learned not to believe stereotypes and that every place and each person has something unique to share. Reese and its people have given me many warm and beautiful memories to take home and share.

Thank you, Reese, for letting me be one of you. You'll always be a part of me and always be welcomed in my home."

Varsity Club Works To Raise Money

The Varsity Club had a successful year due to its annual pizza sale. Pizza were sold to raise money for the athletic department. This money will be used to buy new uniforms and equipment for boy's and girl's sports.

This year's Varsity Club advisor was Dale Sage. He has served as advisor in past years. He has done a fine job and gives alot of himself to his position.

To be in the Varsity Club, a student must have been active in a varsity sport and must have earned a Varsity letter.

Journalism Class Prepares Paper

The Journalism Class prepares the school newspaper each week. This is not an easy job to do, but it does always get done on time to be sold during noon hours.

This year the Editor for the *Rocket Review* was Lynne Dietzel. She, along with Mr. Matuzak had many new ideas. They sponsored five holiday Contests and gave out gift certificates from Camelot Music as prizes.

In edition to the weekly paper, the staff also is responsible for publishing the Senior Edition. This contains bilgraphical stetches, Class Wills, and Prophecies of the Senior Class.

The staff put hours of hard work into the *Rocket Review* and hopes the Student body appreciates it!!!

Teachers Get Fistful of Helpers

A teacher's aide's main objective is to help the teacher with various duties such as typing, mimeographing papers, correcting tests and running errands. Aides work for teachers for an entire year and for all their hard work receive one-half of a credit.

No special requirements are put on aides, however it is to the aides' advantage to have had some typing experience. This year's teachers aides numbered 34 Seniors and one Junior. This is an excellent program and the teachers at R.H.S. appreciate the work done in the 1979-80 school year.

Concert Bands Heighten Artisic Fare

This year the J.V. and Varsity Bands had a pretty good year. They started by getting their music ready for their Christmas Concert. They had a surprise visitor at this concert. Santa Claus came and brought candy for all the children who attended.

They then began to get ready for their Annual District Festival. This year they went to competition at Laker High School where they both did fairly well. Then they presented a Spring Concert playing the music that they had learned for Festival.

The band completed the year by playing for Graduation Ceremonies.

This year's Majorettes were: D. Harrison, B. Histed, Y. Navarro, Mrs. Shepard, advisor, J. Felske, C. Palm.

The Marching Band had a very successful year. They started practicing in the summer for their upcoming games and competition. They were at school at 7 a.m., three days a week for practice.

The Band went to competition in Caro and placed eighth.

The Band participated in Homecoming by marching in the parade, before the game and again at halftime.

They once again held a popcorn drive to raise money for new instruments and music.

All in all, the band had a very good year and are looking forward to next year.

New Co-op Advisor Strengthens Club

The Co-op program provides students with direct form of practical education. They use their knowledge and skills gained in the classroom to perform a job in the world of work.

By completing hours of work experience, the Co-op student is able to face future employment with many more hours of work experience "under his belt: than other high school students and graduates.

The Co-op students must average 15 hours of work per week to remain in the program. The employer must agree to report periodically on the progress of the student.

One-half of one credit will be awarded to each student completing the course. Wages are paid conmensurate with earning ability and status as a trainee.

During the two semester period the student must maintain a C grade average.

Modern Dance Concert Highlights Spring

This year's Modern Dance Club worked hard toward its Spring Concert which was held in the High School Gym on April 12, and 13.

They practiced Mondays, Tuesdays, Wednesdays, and every day during Easter vacation in the High School and Middle School Gymnasiums. Their instructors, Sue Wagner and Jane Hagen, deserve much credit for the excellent program they developed for club.

The theme for this year's Modern Dance Concert was "Dancing into Spring." The Seniors invaluable to Modern Dance this year were: Sherry Auernhamer, Dawn Gruber, Kris Sahr, Lori Krick, Karolyn Krieger, Sharon Aven, Yvonne Navarro, Sandy Anker, Barb Felske, Mary Bauer, and Gaylyn Pavlawk.

The countless hours of practice was evident in the wonderful performance at the concert.

Home Ec. Club Continues Traditions

This year's Home Economics Club had a very rewarding year. The officers once again were Tina Schmidt, president, and Mary Krick who served the dual office of secretary/treasurer. Both did a fine job in these offices.

The Club had meetings throughout the year, and highlighted the 1979-80 school year with a Christmas party and an "end-of-the-year" banquet at the Harbor House in Bay City.

Ms. Landskroener served as the advisor to the club.

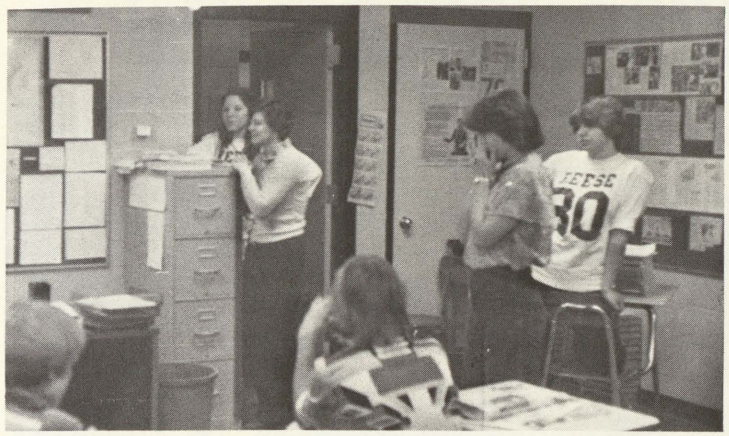
German Club Has Successful Year



Mrs. Vosler advises the class on what decision to make.

This year's German Club had a very successful year. They were busy with meetings for choosing officers who were: Becky Johnston, president; Chris Rayl, secretary; Laura DeHaan, vice president; and Sue Parker, treasurer.

This year they sold Reese's peanut butter cups, Hershey's crunches, and M&M's. They made a significant profit to help them next year.

Pep Club Promotes School Spirit

The 1979-80 Pep Club did a very good job this year promoting spirit. They started out the year by sponsoring pep week for Homecoming.

Along with pep week they banded together with the Student Council to sponsor a St. Patrick's Day Dance.

Pep Club has also decorated the halls and gym with "support the team" posters and has decorated the office several times.

Special Assemblies Break School Routine

This year Student Council sponsored an assembly featuring the Air Aces III, Inc. They were two guys from Ann Arbor who were excellent when it came to throwing a frisbee. They came here the fifteenth of May, during third hour.

At the end of their demonstration they had a contest to see how many times a team could throw the frisbee back and forth for one minute.

The faculty team of Mr. Weier and Mr. Curley won with fifty throws, and the student team of Dick Mousseau and Mark McSoley had forty-four throws.

Also during the year, the teachers won the basketball game against the Senior Intramural guys.

"Cliches" Theme For '80 Comehoming

February 15 was the conclusion of the thrilling Comehoming week. All classes showed good spirit but the seniors put a little extra effort in their last year at R.H.S. The seniors finished first in hall and float competition and were also awarded with best over-all class participation.

Doug Hill was crowned Comehoming king during halftime of the J.V. game. Doug was elected by the student body at R.H.S.

The Varsity Basketball Team was affected by the spirit of the day and played a good game against Akron-Fairgrove. The game ended 64-57 in Reese's favor.

After the game the students went to the dance held in the cafeteria. The disc-jockey "Gemini" from Rush Productions provided music and a lightshow. The overall impression was that the dance was the perfect conclusion to a successful Comehoming week.

This years 1980 Junior-Senior prom was held on April 26th at the Delta Commons.

The prom's theme was "Wish upon a star." The commons was decorated to create a wishing aura.

Highlights of the prom were a beautiful three-tiered cake, the listing of prophecies and wills, and the Mock Awards. And also the very delicious meal. The band was provided by Rusch Productions, the Earthlings.

Well we're sitting in this school and now we're Seniors. And we didn't really think we'd get this far. But now we made it and now we're gonna party. We're gonna PARTY, PARTY, PARTY, all the more!
YE HA!
If we make it through Government and Econ. It will really be a miracle indeed! With Sage and Smith its pretty stiff and we can make it only if—We PARTY, PARTY, PARTY, all the time! *YE HA!* Now Matuzak is one person we won't miss. 'Cuz he hassles all the girls in his class. Just because we like to talk and reminisce—About the PARTIES we had the night before! *YE HA!*
Uncle Phil and Uncle Tom are the patrolmen. And they watch the halls for bad and naughty kids! But they can't correct what we did last weekend—'Cuz we PARTIED, PARTIED, PARTIED, all the time! *YE HA!*
With our advisors standing close by our side. They have helped us somehow to always win. But there's one thing we don't need help doin'—that's to PARTY, PARTY, PARTY, all the time! *YE HA!*
If you come back to this school next September. And you see the Class of '80 in the halls. You will know that we have partied way too hardy, and we're back for the second time around! *YE HA!*

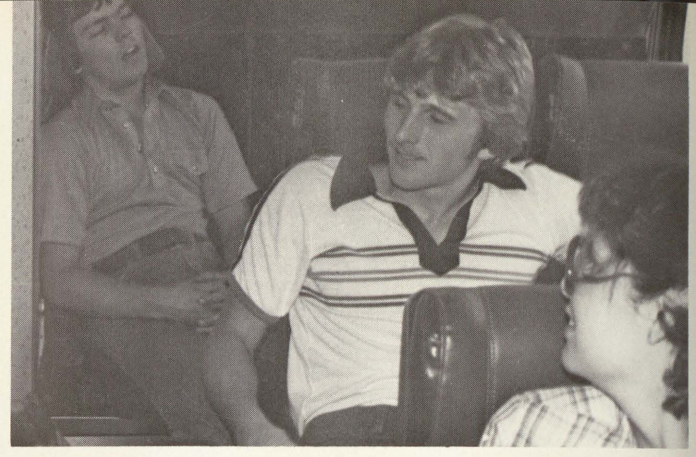
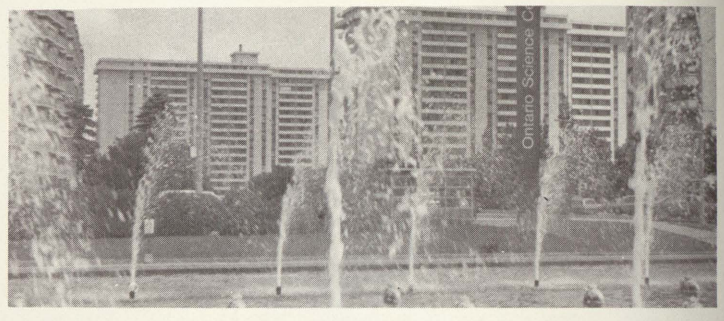
TORONTO: A LONG TRIP TO BE LONG REMEMBERED

We departed from RHS at 4:00 a.m., June 4, 1980. The chaperones who accompanied us were Ms. Smith, Mrs. Shepard, and Mr. Matuzak. Our first stop was at McDonalds, then we went to the Science Center, then to the CN Tower. We also toured the city and spent an hour shopping. We then drove to the Spagetti Factory for dinner. After dinner we started for home. We were back to RHS by 1:00 a.m. Toronto made many new memories for everyone who visited it, and no one will forget the *lovely skater* we saw at the CN Tower.



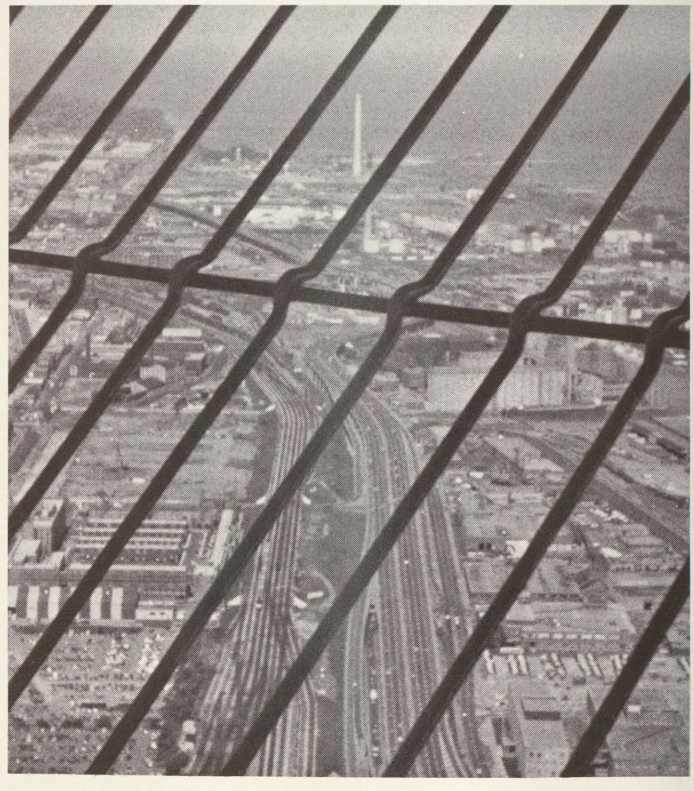
Dean and Yvonne snicker at Danny for sleeping between stops.



The Science Center in full splash.

The Seniors pose in front of a statue at the CN Tower.

Scott Histed got his heart monitored at the health exhibit.



The view from the CN Tower deck was spectacular.

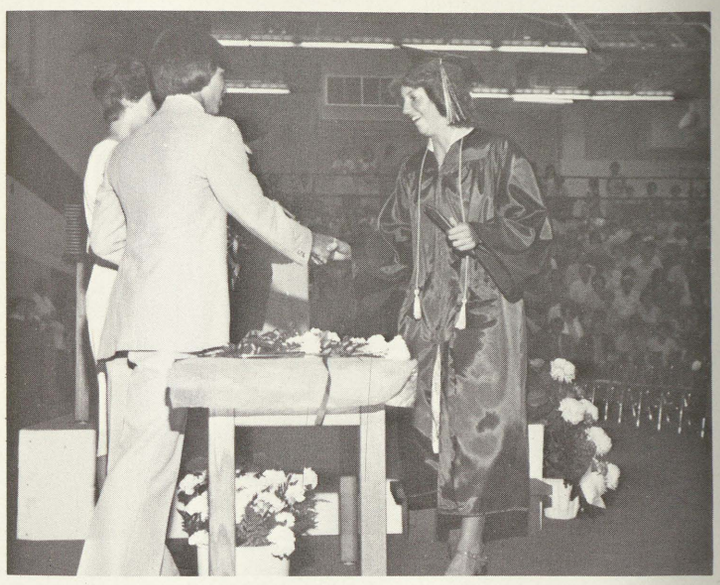
SENIORS IN ACTION

The "Big" Day— June 6, 1980!

Graduation Exercises were held on June 6, 1980. They began at 8:00 p.m. and lasted approximately till 9:30. The Invocation and Address were given by Rev. Monroe Fredrick and Rev. Donald Kearns respectively. The Superintendent and the School Board were present to offer support and congratulations to all the Seniors.

Donna Drake gave the Valedictory Address and Kris Shar gave the Salutatory Address. Glen Roth received a Special Honor Award from the Faculty.

After the exercises, guests were able to congratulate Seniors in a reception line in front of the school. We then went to the office to receive our diplomas, head out to the parties, and begin our new lives.

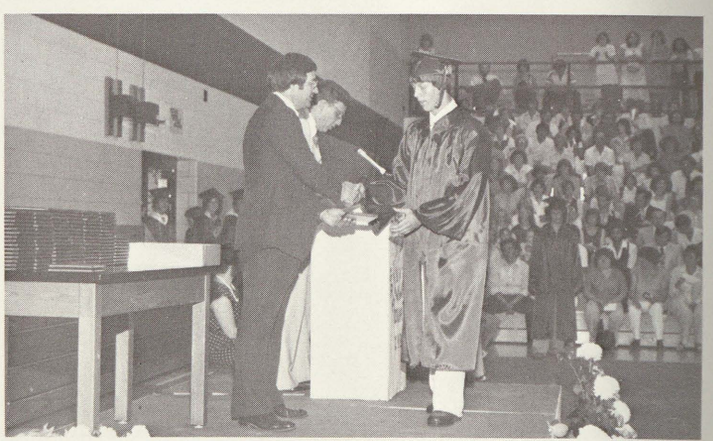


Sherry Bierlein gladly accepts a carnation from the Jr. Class Officers.

Ms. Smith and Mrs. Shepard lead the class into graduation ceremonies.

Brian Bauer seems a little solemn after receiving his diploma.

Rev. Monroe Fredrick gives the Invocation.



Steve Avery shakes hands with Mr. Solgat before receiving his diploma.
